Fantastic solid brick ranch w/basement on secluded cul-de-sac in very convenient South Asheville enclave. Hardwood floors throughout main level and nicely renovated kitchen and baths. Lower level with family/rec room, add'l smaller room for office, crafts or storage, and large half-bath. Workshop space in garage. Great outdoor living w/deck, covered patio, and large landscaped backyard. Nice walk along sidewalk to grocery store, pharmacy and dining. Privacy, space and convenience at an excellent value!
